

COUNTY INSULATION COMPANY

COMMERCIAL/INDUSTRIAL INSULATION

County Insulation Company (CIC), provides multi-disciplinary industrial services across the market, with an unwavering emphasis on safety, quality, and dependability.

Mission Statement: The *Mission Statement* of County Insulation Company is simple and straight forward. We provide Fast, Quality Service.

- **Fast Service:** CIC understands that contractors and builders want their projects to move forward on schedule and within budget. Our state-of-the-art estimating systems allow us to provide swift job quotes and estimates. CIC is dedicated to working closely with contractors and paying attention to the smallest details, thus finishing each job efficiently and on schedule.
- **Quality Service:** CIC is dedicated to providing the highest standard of service in the industry. Our insulators and installers are continuously trained and are committed to the idea of getting each job done right the first time!

With over thirty years of industrial service experience, CIC, through continuous training remains at the forefront of the industries technological advances. CIC's numerous disciplines offered by its several divisions allow for seamless job planning, thus reducing down time and associated cost.

CIC staff members from owner to technician are constantly vigilant with regard to the company's mission statement and safety goals.

NOBODY COVERS YOU BETTER....
